I accepted Christ as a young child (5 years old) and was baptized at the age of 13. I felt God's call in my life from the time I was in high school, and God led me to be involved in a Chinese church when I was still in university. I was involved with this first Chinese church when Paula and I started dating, and God has twice opened doors for us to move since we married in 1993. SCCEFC is our third Chinese church over the past 34 years. In each of these churches, Paula and I have been heavily involved in ministering and serving across various ministries. I started attending services at SCCEFC in October of 2016, shortly after I moved here from the US. I very quickly began getting involved in various areas within the Mandarin congregation, as well as assisting in children's Sunday school. Below is a list of areas in which I am currently involved.

Paula and I have four adult children and one granddaughter. I currently work downtown at a large office building in a managerial position, overseeing a team of 14. We love to hike in the mountains, we love to travel, and we love our church family.
